PEOPLE'S BREWING COMPANY

We were established in 2009 and are located in Lafayettte, Indiana. We produce handcrafted beers to fit many people. We brew beers that you want to drink, not just try. Our selection of year-round, seasonal and specialty beers means there is something for everyone. We have a passion for classic styles. American ales, German Lagers, Belgian ales, English ales and more can be found all around Indiana. Ask for People's where you buy beer or come see us at the brewery.

"Everyone likes great beer... they just don't know it." ~Owner/Brewer Chris Johnson
